Federal Terrorism Risk Insurance Act Disclosure

The Federal Terrorism Risk Insurance Act of 2002 as amended (“TRIA”) establishes a program under which the Federal Government may partially reimburse “Insured Losses” (as defined in TRIA) caused by “Acts Of Terrorism” (as defined in TRIA). “Act Of Terrorism” is defined in Section 102(1) of TRIA to mean any act that is certified by the Secretary of the Treasury – in consultation with the Secretary of Homeland Security and the Attorney General of the United States – to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The Federal Government’s share of compensation for such Insured Losses is 80% of the amount of such Insured Losses in excess of each Insurer’s “Insurer Deductible” (as defined in TRIA), subject to the “Program Trigger” (as defined in TRIA).

In no event, however, will the Federal Government be required to pay any portion of the amount of such Insured Losses occurring in a calendar year that in the aggregate exceeds \$100 billion, nor will any Insurer be required to pay any portion of such amount provided that such Insurer has met its Insurer Deductible. Therefore, if such Insured Losses occurring in a calendar year exceed \$100 billion in the aggregate, the amount of any payments by the Federal Government and any coverage provided by this policy for losses caused by Acts Of Terrorism may be reduced.

For any Workers Compensation and Employers Liability coverage provided by this policy, the charge for such Insured Losses is an additional premium, which is reflected in any Workers Compensation and Employers Liability premium schedule included in this proposal or, if this proposal does not include such premium schedule, is reflected in a Workers Compensation premium summary included with this proposal. Note: terrorism premium charges listed in any such premium schedule or summary are subject to change at any time based on state regulatory action.

For any coverage provided by this policy, other than any Workers Compensation and Employers Liability coverage, that applies to such Insured Losses, the charge for such Insured Losses is included in the premium for such coverage. The charge for such Insured Losses that has been included for any such coverage is the percentage of the premium for such coverage indicated below and does not include any charge for the portion of such Insured Losses covered by the Federal Government under TRIA. Note: terrorism premium charges shown below are subject to change at any time based on state regulatory action.

The charge for such Insured Losses (for any coverage other than any Workers Compensation and Employers Liability coverage) is:

- 7% of either your total Commercial Property Coverage Part or your total Deluxe Property Coverage Part premium, if applicable, if your primary location is in a Designated City (as listed below).
- 3% of either your total Commercial Property Coverage Part or your total Deluxe Property Coverage Part premium, if applicable, if your primary location is not in a Designated City (as listed below).
- 4% of your total Businessowners Coverage Part premium, if applicable, if your primary location is in a Designated City (as listed below).
- 2% of your total Businessowners Coverage Part premium, if applicable, if your primary location is not in a Designated City (as listed below).
- 1% of your total Commercial Inland Marine Coverage Part premium if applicable.
- 1% of your total Boiler and Machinery or Equipment Breakdown Coverage Part if applicable.
- 1% of your total premium for any Commercial Liability Coverage included in this policy that is subject to the Federal Terrorism Risk Insurance Act of 2002 as amended.
- 1% of your total premium for any Commercial Ocean Marine Coverage Part premium if applicable.
