HOME STATE FOR NON-ADMITTED RISKS

Taxes and governmental fees are estimates and subject to change based upon current rates of the Home State and risk information available at the date of binding. The Home State of the Insured for a non-admitted risk shall be determined in accordance with the Nonadmitted and Reinsurance Act of 2010, 15. U.S.C §8201, etc. ("NRRA"). Some states require the producing broker to submit a written verification of the insured's Home State for our records. The applicable law (if any) of the Home State governing cancellation or non-renewal of non-admitted insurance, including whether any such laws apply to non-admitted risks, shall apply to this Policy.

Any amendments to coverage must be specifically requested in writing or by submitting a policy change request form and then approved by the Insurer. Coverage cannot be affected, amended, extended, or altered through the issuance of certificates of insurance. Underlying Insurers must be rated A- VII or better by A.M. Best.

PREMIUM FINANCE (If not included in the quote document)

If the insured and the insurer agree to bind coverage and the premium will be financed, upon binding, please instruct the premium finance company to send documents to our attention. Premium Finance funds should always be paid to RT Specialty.

PRODUCER COMPENSATION:

RT Specialty is typically compensated through commission from the insurer for the placement of policies in most transactions. The amount of the commission varies by insurance line and by carrier. RT Specialty might also receive additional compensation. In order to place the insurance requested we may charge a reasonable fee for additional services such as performing a risk analysis, comparing policies, processing submissions, communication expenses, inspections, working with underwriters on the coverage proposal, issuing policies, or servicing the policy after issuance. Any fees charged are fully earned at inception of the policy. Third-party inspection or other fees may be separately itemized upon request. Our fees are applied to new policies, renewal policies, and endorsements. Fees applicable to each renewal and endorsement will be set forth in the quotes. It is the insurance carrier's decision whether to offer the insurance quoted, and your client's decision whether to accept the quote. Our fee is not imposed by state law or the Insurer.

Depending upon the Insurer involved with your placement, we might also have an agreement with the Insurer that we are proposing for this placement that might pay us future additional compensation. This compensation could be based on formulas that consider the volume of business placed with the Insurer, the profitability of that business, how much of the business is retained for the Insurer's account each year, and potentially other factors. The agreements frequently consider total eligible premium from all clients placed during a calendar year and any incentive or contingent compensation is often received at a future date. Because of variables in these agreements, we often do not have an accurate means at the time of placement to determine the amount of any additional compensation that might be attributable to any single placement.

You, as the retail broker with the direct relationship with the Insured, must comply with all applicable laws and regulations related to disclosure of and consent and agreement to, compensation, and informing the Insured that it may request more information about producer or broker compensation that might be paid in connection with the Insured's placement. If we request a copy of any legally required insured consent or agreement, you will provide us with a copy. If you need additional information about the compensation arrangements for services provided by RT Specialty affiliates, please contact your RT Specialty representative.

RT Specialty is a division of RSG Specialty, LLC. RSG Specialty, LLC is a Delaware limited liability company and a subsidiary of Ryan Specialty, LLC. In California: RSG Specialty Insurance Services, LLC (License # 0G97516).

NOTICE

Occurrence Limit of Liability (OLLE) Scheduled Limits

Blanket coverage for first-party property insurance risks has become increasingly difficult to secure and often is not available regardless of price.

Please note that your binder may not provide coverage on a blanket basis and, based on current market conditions, a blanket coverage option might not be available. Any reference(s) to an Occurrence Limit of Liability Endorsement (OLLE), margin clause, maximum amount payable, and/or scheduled limits indicate that blanket coverage is not provided. Instead, the amount of recovery afforded by the policy is limited in some respect to the amount(s) set forth on the Statement of Values (SOV) provided to the insurer. This potentially can materially reduce the insured's recovery in the event of a loss as compared to blanket coverage. Additionally, the policy language for these clauses may vary by insurer and some insurers limit the amount recoverable for extensions of coverage, additional coverages, and additional covered property to the values as shown on the SOV.

Please review this binder very carefully to determine if coverage is being offered or provided on a blanket, or some other more limited, basis.

As such, we strongly recommend that you confirm that the insured is in agreement that they have provided full and accurate amounts for the values set forth on the SOV. RT Specialty expressly disclaims any responsibility for the accuracy or adequacy of the values provided on an SOV. We also note that all decisions concerning coverage and the application of the terms, provisions, conditions, limitations or exclusions of the policy to any claim are made exclusively by the insurers.

IMPORTANT NOTICE:

- 1. The insurance policy that you have purchased is being issued by an insurer that is not licensed by the State of California. These companies are called "nonadmitted" or "surplus line" insurers.**
- 2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.**
- 3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.**
- 4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or "surplus line" broker or contact the California Department of Insurance at the toll-free number 1-800-927-4357 or internet website www.insurance.ca.gov. Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC's internet website at www.naic.org. The NAIC-the National Association of Insurance Commissioners-is the regulatory support organization created and governed by the chief insurance regulators in the United States.**
- 5. Foreign insurers should be licensed by a state in the United States and you may contact that state's department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: https://naic.org/state_web_map.htm.**
- 6. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on**

the NAIC's International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or "surplus line" broker to obtain more information about that insurer.

7. California maintains a "List of Approved Surplus Line Insurers (LASLI)." Ask your agent or broker if the insurer is on that list, or view that list at the internet website of the California Department of Insurance: www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm.

8. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage, the premium will be prorated and any broker's fee charged for this insurance will be returned to you.

INSTRUCTIONS

SECTION 1: Please provide the full name of the licensed individual who performed or supervised the diligent search. If the search was performed under the individual's license number, enter his/her license number in section (A) or if the individual was authorized as an endorsee under an organizational license, enter the name of the organization and its license number in section (B).

SECTION 6: Please provide a complete response on section (A). Note: The Insurance Commissioner or his designee may require the surplus line broker to conduct a further or additional search among admitted insurers for similar placements in the future. [California Insurance Code Section 1763(b)] An incomplete response may unnecessarily result in a request for a further search to be conducted. If the individual named on line 1 did not perform the diligent search, please provide the full name of the individual who performed the search on section (B).

SECTION 7(B): To avoid mis-identification among insurers with similar names, please provide the complete name of the admitted insurer as listed in the CDI Official Publication of Admitted Companies. Insurer group names, such as Cigna Group, Chubb Group, California Ins. Group, Hartford Group, etc., are acceptable if the person performing the search verifies that the representative of the group, who declines the risk, does in fact represent an admitted insurer in the group that actually writes the particular type of insurance being sought.

IMPORTANT: Persons who are licensed only as an agent may only submit a risk to admitted insurers that have appointed them as their agent. Agents are not authorized to offer a risk to admitted insurers for which they are not appointed agents. A search which is limited to only those companies that have appointed the agent may not necessarily constitute a diligent search of the admitted market.

WHAT TO FILE: This report must be filed as an attachment to the Report of Placement. (CDI Form SL-1).

WHERE TO FILE: The SL-1 and this report are to be filed by the surplus line broker with The Surplus Line Association of California within 60 days of placement of coverage with non-admitted insurer(s).

MULTIPLE LICENSEES CONDUCTING SEARCH: If two or more licensees conduct a diligent search of admitted insurers, then each licensee must complete a diligent search report (CDI Form SL-2). All such reports should be attached to the SL-1.
