In the event such payments described above reduce the “Underlying Limit” this policy shall continue as excess.

- A. The “Underlying Policy(ies)” shall be maintained in full effect while this policy is in force. If the “Underlying Policy(ies)” are not maintained in full effect during the “Policy Period”, the “Insurer” shall not be liable under this policy to a greater extent than it would have been had such “Underlying Policy(ies)” been maintained.
- B. If subsequent to the inception date of this policy, there is a change to the “Followed Policy”, then this policy shall become subject to such change only if the “Insurer” agrees to such change by way of written endorsement to this policy.
- C. The “Insured(s)” shall give notice to the “Insurer” of any “Claim” or potential “Claim” in conformance with the notice provisions of the “Followed Policy” except that such notice shall be delivered to the address specified in Item 9 of the Declarations.
