Notices

The policy contains the complete terms and conditions of the insurance represented by this binder. All requested specifications are rejected, except as set forth in our policy.

This binder is provided in reliance on the information submitted to us by the applicant. By accepting this quote, and/or the binding of this risk, the applicant warrants that the information is true and complete and that no material facts have been misrepresented, omitted or suppressed.

Motor carrier filings

GenStar issues federal and state motor carrier filings subject to review and approval prior to issuance. Some of GenStar's specialty products and excess insurance policies are ineligible for motor carrier filings.

It is the insured's responsibility, at the time of binding a new or renewal policy, to request a motor carrier filing by sending us all applicable complete motor carrier filing forms. To process motor carrier filings required by law, on all new and renewal business, the insured represents, understands and agrees that:

1. The insured has a docket # (i.e., mc #) with "active authority" from the FMCSA,
2. The primary insurer has a filing in force with the FMCSA equal to the underlying limits of insurance,
3. GenStar's limit on the motor carrier filing will not exceed the difference between the bodily injury/property damage limit required by the FMCSA and the primary insurer's limit, and
4. Vehicles disclosed in the application and covered by GenStar's insurance policy are all vehicles (owned, leased, rented or borrowed) operating under the insured's motor carrier authority. The insured has no other vehicles.
5. The insured's insurance policy with GenStar must meet GenStar's eligibility criteria for issuance of such filing(s).

GenStar cancels motor carrier filings at the end of each policy term, and they are not automatically renewed.
