Dear Andrew:

We are pleased to provide our Commercial Coverage Binder for Getbusy USA Corporation.

Therefore, Chubb hereby conditions the binding of the coverage Binder herein to the binding and/or renewal of said master policy. Accordingly, it is hereby understood and agreed that should said master policy not be issued or renewed (for any reason or no reason) Chubb, as permitted by law and otherwise, may withdraw its' offer to provide the insurance referenced herein.
- Premium will be collected by the US broker unless specific direction is provided by the producing underwriter.

- Under the WC section of the Binder letter the following clause is listed. Premiums shown are estimates and subject to the final rates, premium discounts and other modifications at the time of policy issuance.

To facilitate your discussion of the coverages with the insured, we have outlined some of the features of the form. Please review the coverages carefully. This Binder outlines the extent of coverage that we will provide on the account and is subject to the terms and conditions of the policies. If you do not see a specific coverage listed on this Binder, it is **not** provided.

CHUBB® IMPORTANT NOTICE TO POLICYHOLDER TERRORISM RISK INSURANCE ACT

You are hereby notified that pursuant to the Terrorism Risk Insurance Act (the "Act") we are making available to you insurance for losses arising out of certain acts of terrorism. Terrorism is defined as any act certified by the Secretary of the Treasury of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that the insurance provided by your policy for losses caused by acts of terrorism is partially reimbursed by the United States of America under the formula set forth in the Act. Under this formula, the United States of America pays 85% of covered terrorism losses that exceed the statutorily established deductible to be paid by the insurance company providing the insurance. Beginning in 2016, the Federal Share will be reduced by 1% per year until it reaches 80%, where it will remain.

However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

The portion of your annual premium that is attributable to insurance for such acts of terrorism is:

For Liability	\$ 27
For Errors or Omissions	\$

CHUBB®

**POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM
INSURANCE COVERAGE**

Coverage for acts of terrorism is included in your policy. You are hereby notified that the Terrorism Risk Insurance Act, as amended in 2019, defines an act of terrorism in Section 102(1) of the Act: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury - in consultation with the Secretary of Homeland Security, and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is \$1,714, and does not include any charges for the portion of losses covered by the United States government under the Act.

IMPORTANT NOTICE TO POLICYHOLDER TERRORISM RISK INSURANCE ACT

You are hereby notified that pursuant to the Terrorism Risk Insurance Act (the “Act”) we are making available to you insurance for losses arising out of certain acts of terrorism. Terrorism is defined as any act certified by the Secretary of the Treasury of the United States to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that the insurance provided by your policy for losses caused by acts of terrorism is partially reimbursed by the United States of America under the formula set forth in the Act. Under this formula, the United States of America pays 85% of covered terrorism losses that exceed the statutorily established deductible to be paid by the insurance company providing the insurance. Beginning in 2016, the Federal share will be reduced by 1% per year until it reaches 80%, where it will remain.

However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

The portion of your annual premium that is attributable to insurance for such acts of terrorism is: \$25.
