FLORIDA NOTIFICATION OF AVAILABILITY OF UNINSURED MOTORISTS COVERAGE

This document includes general descriptions of coverage. However, no coverage is provided by this document. You should read your policy and review your Declarations page(s) and/or Schedule(s) for complete information on the coverages you are provided.

Florida law requires us to notify you about options with respect to Uninsured Motorists Coverage. The following options are available with respect to Uninsured Motorists Coverage:

1. Uninsured Motorists Coverage at limits equal to your Bodily Injury Liability Coverage (split limits) or Combined Single Limit for Liability Coverage.
2. If your Bodily Injury Liability Coverage limits are higher than \$10,000/\$20,000 (split limits), or if your Combined Single Limit for Liability Coverage is at least \$30,000, you may select Uninsured Motorists Coverage limits that are lower than your Liability Coverage limits BUT you may not select Uninsured Motorists Coverage limits less than: (1) split limits of \$10,000 for each person, subject to \$20,000 for each accident with respect to bodily injury; or (2) a single limit of \$20,000 for each accident.
3. Non-stacked Or Stacked Uninsured Motorists Coverage Options If You Are An Individual

If your policy is a personal auto policy, or if your policy is a commercial auto policy and you are designated as an individual in the Declarations of such policy, you have the option to purchase non-stacked Uninsured Motorists Coverage or stacked Uninsured Motorists Coverage.

a. Non-stacked Option

Subject to the provisions of the policy, and except as provided in the following sentence, non-stacked Uninsured Motorists Coverage generally does not allow an insured to combine or stack one applicable Uninsured Motorists Coverage limit with other applicable Uninsured Motorists Coverage limit(s) for the same loss. However, if there is other applicable insurance available under one or more policies or provisions of coverage, any recovery for loss suffered by you or any family member residing with you while occupying a vehicle not owned by you or any such family member may not exceed the sum of:

- (1) The limit of liability for Uninsured Motorists Coverage applicable to the vehicle you or any such family member was occupying at the time of the accident; and
- (2) The highest limit of liability for Uninsured Motorists Coverage applicable to any one vehicle under any one policy affording coverage to you or any such family member.

b. Stacked Option

Subject to the provisions of the policy, stacked Uninsured Motorists Coverage generally allows an insured under a personal auto policy or you or a family member under a commercial auto policy to combine or stack one applicable Uninsured Motorists Coverage limit with other applicable Uninsured Motorists Coverage limit(s) for the same loss. For example, under stacked Uninsured Motorists Coverage, you or a family member may add together the Uninsured Motorists Coverage limits for each vehicle that has such coverage under your policy.

4. Non-stacked Uninsured Motorists Coverage If You Are Other Than An Individual

If your policy is a commercial auto policy and you are designated as other than an individual in the Declarations, your policy will include non-stacked Uninsured Motorists Coverage unless you reject Uninsured Motorists Coverage entirely.

5. Rejection Of Uninsured Motorists Coverage Entirely

You should contact us or your agent at the address below if you have any questions regarding the options listed above with respect to Uninsured Motorists Coverage. However, if you wish to change the coverage option(s) you previously selected, you must request any such change(s) in writing.

Florida law permits you to make certain decisions regarding Uninsured Motorists Coverage provided under your policy. This document describes this coverage and various options available.

You should read this document carefully and contact us or your agent if you have any questions regarding Uninsured Motorists Coverage and your options with respect to this coverage.

This document includes general descriptions of coverage. However, no coverage is provided by this document. You should read your policy and review your Declarations Page(s) and/or Schedule(s) for complete information on the coverages you are provided.

Uninsured Motorists Coverage provides for payment of certain benefits for damages caused by owners or operators of uninsured motor vehicles because of bodily injury or death resulting therefrom. Such benefits may include payments for certain medical expenses, lost wages, and pain and suffering, subject to limitations and conditions contained in the policy. For the purpose of this coverage, an uninsured motor vehicle may include a motor vehicle as to which the bodily injury limits are less than your damages.

Florida law requires that automobile liability policies include Uninsured Motorists Coverage at limits equal to the Bodily Injury Liability Coverage (split limits) or Combined Single Limit for Liability Coverage in your policy, unless you select a lower limit offered by the company or reject Uninsured Motorists Coverage entirely.

Please indicate by initialing below whether you entirely reject Uninsured Motorists Coverage or whether you select this coverage at limits lower than the Bodily Injury Liability Coverage or Combined Single Limit for Liability Coverage of your policy.

(Initials)			
_____		I reject Uninsured Motorists Coverage entirely.

If your policy is a personal auto policy or, if your policy is a commercial auto policy and you are designated as an individual in the Declarations, your policy will include stacked Uninsured Motorists Coverage unless you reject Uninsured Motorists Coverage entirely or you select non-stacked Uninsured Motorists Coverage. If your policy is a commercial auto policy and you are designated as other than an individual in the Declarations, your policy will include non-stacked Uninsured Motorists Coverage, unless you reject Uninsured Motorists Coverage entirely.

ELECTION OF NON-STACKED COVERAGE IF YOU ARE AN INDIVIDUAL
(Do not complete if you have rejected Uninsured Motorists Coverage.)

If your policy is a personal auto policy or, if your policy is a commercial auto policy and you are designated as an individual in the Declarations, your policy will include stacked Uninsured Motorists Coverage. You have the option to purchase, at a reduced rate, non-stacked (a limited type of) Uninsured Motorists Coverage. Subject to the provisions of the policy, and except as provided in the following sentence, non-stacked Uninsured Motorists Coverage generally does not allow an insured to combine or stack one applicable Uninsured Motorists Coverage limit with other applicable Uninsured Motorists Coverage limit(s) for the same loss. However, if there is other applicable insurance available under one or more policies or provisions of coverage, any recovery for loss suffered by you or any family member residing with you while occupying a vehicle not owned by you or any such family member may not exceed the sum of:

1. The limit of liability for Uninsured Motorists Coverage applicable to the vehicle you or any such family member was occupying at the time of the accident; and

2. The highest limit of liability for Uninsured Motorists Coverage applicable to any one vehicle under any one policy affording coverage to you or any such family member.

If you do not elect to purchase the non-stacked type of Uninsured Motorists Coverage, and if you do not reject Uninsured Motorists Coverage entirely, your policy will include stacked Uninsured Motorists Coverage. Subject to the provisions of the policy, stacked Uninsured Motorists Coverage generally allows an insured under a personal auto policy or you or a family member under a commercial auto policy to combine or stack one applicable Uninsured Motorists Coverage limit with other applicable Uninsured Motorists Coverage limit(s) for the same loss. For example, under stacked Uninsured Motorists Coverage, you or a family member may add together the Uninsured Motorists Coverage limits for each vehicle which has such coverage under your policy.

(Initials)

_____ I elect the non-stacked form of Uninsured Motorists Coverage.

I understand and agree that selection of any of the above options applies to my liability insurance policy and future renewals or replacements of such policy which are issued at the same Bodily Injury Liability limits. If I decide to select another option at some future time, I must let the Company or my agent know in writing.

 - (1) Pay the value of such “securities” to you or replace them in kind, in which event you must assign to us all of your rights, title and interest in those “securities”; or
 - (2) Pay the cost of any Lost Securities Bond required in connection with issuing duplicates of the “securities”; provided that we will be liable only for the cost of the Lost Securities Bond as would be charged for a bond having a penalty not exceeding the lesser of the value of the “securities” at the close of business on the day the “computer fraud event”, “cyber extortion threat” or “wrongful transfer event” was discovered.
- c. Our payment of cryptocurrency will be its value at the close of business on the day the cryptocurrency was transferred by you in response to the covered “cyber extortion threat”.
- d. Our payment for the loss of tangible property will be the smallest of:

- (2) The amount you actually spend that is necessary to replace the tangible property.

We will not pay you on a replacement costs basis for any loss of tangible property until such property is actually replaced and unless the replacement is made as soon as reasonably possible after the “loss”.

If the lost property is not replaced as soon as reasonably possible after the “loss”, we will pay you the actual cash value of the tangible property on the day the “computer fraud event”, “cyber extortion threat” or “wrongful transfer event” was discovered.

YOUR OPTION TO EXCLUDE WINDSTORM COVERAGE

Florida law requires that an insurer issuing a property insurance policy must make available, at the option of the policyholder, an exclusion of windstorm coverage. Coverage may be excluded **only if you provide to the insurer ("us") the following statement ON YOUR LETTERHEAD**, dated and signed by you or your authorized representative. The exclusion of coverage applies for the term of the policy and for each renewal thereafter; changes to the exclusion may be implemented only as of the date of renewal.

Use the following text in your statement to us, with the addition of the information described in the underlined parentheses.

(Name of business entity) does not want the insurance on its (identify structure(s)) to pay for damage from windstorms. (Name of business entity) will be responsible for these costs. (Name of business entity's) insurance will not.

(Name of business entity) understands and agrees that the exclusion pertains to any windstorm, including hurricane, and to hail; and also understands and agrees that if the property insurance policy covering the structure(s) identified above also provides other property coverages (such as coverage for contents or business interruption), **the exclusion will also apply to all such property and coverages in accordance with the terms of the exclusion.**

IMPORTANT NOTICE – MORTGAGEHOLDER AND/OR LIENHOLDER APPROVAL REQUIRED

If a structure(s) to which the windstorm exclusion is to apply is subject to a mortgage or lien, you must also provide to us a written statement from the mortgageholder and/or lienholder indicating that the mortgageholder and/or lienholder approves your election to exclude windstorm coverage on that structure(s), and that it is understood that the exclusion pertains to any windstorm, including hurricane, and to hail.

WINDSTORM OR HAIL PERCENTAGE DEDUCTIBLE

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM
CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM

		SCHEDULE*
		WINDSTORM OR HAIL DEDUCTIBLE PERCENTAGE
		(ENTER 1%, 2%, 5%, 7.5%, 10% OR 15%)

Minimum Deductible (Per Occurrence): \$

*Information required to complete this Schedule, if not shown on this endorsement, will be shown in the Declarations.

The Windstorm or Hail Deductible, as shown in the Schedule and set forth in this endorsement, applies to covered loss or damage caused directly or indirectly by Windstorm or Hail. This Deductible applies to each occurrence of Windstorm or Hail.

The Windstorm or Hail Deductible, as Calculated in Paragraphs **A.** through **C.** below, is the greater of (1) the Minimum Deductible shown above, or (2) the amount resulting from applying the percentage shown in the Schedule above to the covered property involved in the loss.

Nothing in this endorsement implies or affords coverage for any loss or damage that is excluded under the terms of the Water Exclusion or any other exclusion in this policy. If this policy is endorsed to cover Flood under the Flood coverage Endorsement (or if you have a flood insurance policy), a separate Flood Deductible applies to loss or damage attributable to Flood, in accordance with the terms of that endorsement or policy.

As used in this endorsement, the terms "specific insurance" and "blanket insurance" have the following meanings: Specific insurance covers each item of insurance (for example, each building or personal property in a building) under a separate Limit of Insurance. Blanket insurance covers two or more items of insurance (for example, a building and personal property in that building, or two buildings) under a single Limit of Insurance. Items of insurance and corresponding Limit(s) of Insurance are shown in the Declarations.

WINDSTORM OR HAIL DEDUCTIBLE CALCULATIONS

A. Calculation Of The Deductible – All Policies

1. A Deductible is calculated separately for, and applies separately to:

- Each building that sustains loss or damage;
- The personal property at each building at which there is loss or damage to personal property;
- Personal property in the open.

If there is damage to both a building and personal property in that building, separate deductibles apply to the building and to the personal property.

2. We will not pay for loss or damage until the amount of loss or damage exceeds the applicable Deductible. We will then pay the amount of loss or damage in excess of that Deductible, up to the applicable Limit of Insurance, after any reduction required by any of the following: Coinsurance Condition; Agreed Value Optional Coverage; or any provision in a Value Reporting Form relating to full reporting or failure to submit reports.
3. When property is covered under the Coverage Extension for Newly Acquired Or Constructed Property: In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to a percentage of the value(s) of the property at time of loss. The applicable percentage for Newly Acquired Or Constructed Property is the highest percentage shown in the Schedule for any described premises.

B. Calculation Of The Deductible – Specific Insurance Other than Builders' Risk

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the greater of (1) 1%, 2%, 5%, 7.5%, 10% or 15% (as shown in the Schedule) of the Limit(s) of Insurance applicable to the property that has sustained loss or damage; or (2) the Minimum Deductible shown in the Schedule.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the greater of (1) 1%, 2%, 5%, 7.5%, 10% or 15% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage; or (2) the Minimum Deductible shown in the Schedule. The value(s) to be used is the latest value(s) shown in the most recent Report of Values on file with us.

However:

- a. If the most recent Report of Values shows less than the full value(s) of the property on the report dates, we will determine the deductible amount as a percentage of the full value(s) as of the report dates.
- b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the applicable Limit(s) of Insurance.

C. Calculation Of The Deductible – Blanket Insurance

1. Property Not Subject to Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the greater of (1) 1%, 2%, 5%, 7.5%, 10% or 15% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage; or (2) the Minimum Deductible shown in the Schedule. The value(s) to be used are those shown in the most recent Statement of Values on file with us.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for property that has sustained loss or damage, we will deduct an amount equal to the greater of (1) 1%, 2%, 5%, 7.5%, 10%, or 15% (as shown in the Schedule) of the value(s) of that property as of the time of loss or damage; or (2) the Minimum Deductible shown in the Schedule.

Examples – Application of Deductible:

Example 1 – Specific Insurance (B.1.)

The amount of loss to the damaged building is \$60,000.

The value of the damaged building at time of loss is \$100,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the Coinsurance requirement is \$80,000 (80% of \$100,000).

The actual Limit of Insurance on the damaged building is \$70,000.

The Deductible is 1% and the Minimum Deductible is \$1,000.

Step (1): $\$70,000 \div \$80,000 = .875$

Step (2): $\$60,000 \times .875 = \$52,500$

Step (3): $\$70,000 \times 1\% = \700 (which is lower than the Minimum Deductible of \$1,000)

Step (4): $\$52,500 - \$1,000 = \$51,500$

The most we will pay is \$51,500. The remainder of the loss, \$8,500, is not covered due to the Coinsurance penalty for inadequate insurance (Steps (1) and (2)) and the application of the Deductible (Steps (3) and (4)).

Example 2 – Specific Insurance (B.1.)

The amounts of loss to the damaged property are \$60,000 (Building) and \$40,000 (Personal Property in building).

The value of the damaged building at time of loss is \$100,000. The value of the personal property in that building is \$80,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the coinsurance requirement are \$80,000 (80% of \$100,000) for the building and \$64,000 (80% of \$80,000) for the personal property.

The actual Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the personal property (therefore no Coinsurance penalty).

The Deductible is 2% and the Minimum Deductible is \$1,000.

Building

Step (1): $\$80,000 \times 2\% = \$1,600$ (which is higher than the Minimum Deductible of \$1,000)

Step (2): $\$60,000 - \$1,600 = \$58,400$

Personal Property

Step (1): $\$64,000 \times 2\% = \$1,280$ (which is higher than the Minimum Deductible of \$1,000)

Step (2): $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120. That portion of the total loss not covered due to application of the Deductible is \$2,880.

Example 3 – Blanket Insurance (C.1.)

The sum of the values of Building 1 (\$500,000), Building 2 (\$500,000) and Building 3 (\$1,000,000), as shown in the most recent Statement of Values on file with us, is \$2,000,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the coinsurance requirement is \$1,800,000 (90% of \$2,000,000).

The **actual** Blanket Limit of Insurance covering Buildings 1, 2, and 3, shown in the Declarations, is \$1,800,000 (therefore no Coinsurance penalty).

Buildings 1 and 2 have sustained damage; the amounts of loss to these buildings are \$40,000 (Building 1) and \$20,000 (Building 2).

The Deductible is 2% and the Minimum Deductible is \$2,500.

Building 1

Step (1): $\$500,000 \times 2\% = \$10,000$ (which is higher than the Minimum Deductible of \$2,500)

Step (2): $\$40,000 - \$10,000 = \$30,000$

Building 2

Step (1): $\$500,000 \times 2\% = \$10,000$ (which is higher than the Minimum Deductible of \$2,500)

Step (2): $\$20,000 - \$10,000 = \$10,000$

The most we will pay is \$40,000. That portion of the total loss not covered due to application of the Deductible is \$20,000.

Example 4 – Blanket Insurance (C.1.)

The sum of the values of Building 1 (\$500,000), Building 2 (\$500,000), Personal Property at Building 1 (\$250,000) and Personal Property at Building 2 (\$250,000), as shown in the most recent Statement of Values on file with us, is \$1,500,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the Coinsurance requirement is \$1,350,000 (90% of \$1,500,000).

The actual Blanket Limit of Insurance covering Buildings 1 and 2 and Personal Property at Buildings 1 and 2, shown in the Declarations, is \$1,350,000 (therefore no Coinsurance penalty).

Building 1 and Business Personal Property at Building 1 have sustained damage; the amounts of loss are \$95,000 (Building) and \$5,000 (Personal Property).

The Deductible is 5% and the Minimum Deductible is \$10,000.

Building

Step (1): $\$500,000 \times 5\% = \$25,000$ (which is higher than the Minimum Deductible of \$10,000)

Step (2): $\$95,000 - \$25,000 = \$70,000$

Personal Property

Step (1): $\$250,000 \times 5\% = \$12,500$ (which is higher than the Minimum Deductible of \$10,000)

The loss, \$5,000, does not exceed the Deductible.

The most we will pay is \$70,000. The remainder of the building loss, \$25,000, is not covered due to application of the Deductible. There is no loss payment for the personal property.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

EQUIPMENT BREAKDOWN COVERAGE (Including Electronic Circuitry Impairment)

This endorsement modifies the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CAUSES OF LOSS—BASIC FORM
CAUSES OF LOSS—BROAD FORM
CAUSES OF LOSS—SPECIAL FORM

- A. The following is added as an Additional Coverage to the Causes of Loss—Basic Form, Broad Form or Special Form.

Additional Coverage – Equipment Breakdown

Additional Coverage Equipment Breakdown as described and limited below is included in the term Covered Cause of Loss. Without an “accident” or “electronic circuitry impairment”, there is no Equipment Breakdown Coverage.

1. We will pay for direct physical damage to Covered Property that is the direct result of an “accident” or “electronic circuitry impairment”. We will consider “electronic circuitry impairment” to be physical damage to “covered equipment”.
2. The following coverages also apply to the direct result of an “accident” or “electronic circuitry impairment”, unless otherwise shown in a “schedule”. These coverages do not provide additional amounts of insurance.
 - a. Business Income and Extra Expense
 - (1) Any insurance provided under the coverage part to which this Equipment Breakdown Coverage endorsement is attached for Business Income or Extra Expense is extended to the coverage provided by this endorsement. However, if a deductible is shown in a “schedule”, then with respect to this endorsement only, the “period of restoration” will begin immediately after the “accident” or “electronic circuitry impairment” and the deductible shown in the “schedule” will apply.
 - (2) The most we will pay under this Business Income and Extra Expense coverage is the applicable limit for Business Income and Extra Expense, unless otherwise shown in a “schedule”.

- b. Data Restoration

- (1) We will pay for your reasonable and necessary cost to research, replace and restore lost “data”.
- (2) The most we will pay under this Data Restoration coverage is \$25,000, unless otherwise shown in a “schedule”. This amount includes the actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered.

- c. Expediting Expenses

- (1) With respect to your damaged Covered Property, we will pay the reasonable and necessary extra cost to:
 - (a) Make temporary repairs; and
 - (b) Expedite permanent repairs or replacement.
- (2) The most we will pay under this Expediting Expenses coverage is \$25,000, unless otherwise shown in a “schedule”.

- d. Future Loss Avoidance

- (1) This coverage only applies if you have received payment under this Equipment Breakdown Coverage for an “accident” or “electronic circuitry impairment” that occurred on the premises of a covered location.
- (2) We will pay your costs to purchase and install Protective Equipment at the location of the loss as follows:
 - (a) Electrical surge protection or single-phase Protective Equipment; or

- (b) Other Protective Equipment if we agree that such equipment would reasonably reduce the likelihood of a future "accident" or "electronic circuitry impairment" similar to the one for which you have received payment from us. We will not unreasonably withhold such agreement.
- (3) As used in this coverage, Protective Equipment means a permanently installed physical device with the principal function of safeguarding one or more pieces of "covered equipment" from physical loss or damage.
- (4) We must receive your invoices for any purchase and installation costs no later than 180 days after the date you receive the payment for the loss from us.
- (5) With respect to any "one equipment breakdown", the most we will pay is the lesser of the following:
 - (a) 10% of our Eligible Payment to you prior to any payment under this Future Loss Avoidance coverage; or
 - (b) \$10,000.
- (6) As used in this coverage, Eligible Payment means our total payment to you not including the following:
 - (a) Any deductible or coinsurance amount; or
 - (b) Any payment made after this policy has been cancelled or non-renewed.
- e. Hazardous Substances
 - (1) We will pay your additional cost to repair or replace Covered Property because of contamination by a "hazardous substance". This includes the additional expenses to clean up or dispose of such property.
 - (2) This coverage does not apply to testing, clean up or disposal of land, water or any other property that is not Covered Property.
 - (3) This does not include contamination of "perishable goods" by refrigerant, including, but not limited to, ammonia, which is addressed in Refrigerant Contamination, 2.I.(2) below.
 - (4) As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no "hazardous substance" been involved.
- (5) The most we will pay under this Hazardous Substances coverage is \$25,000, unless otherwise shown in a "schedule". This amount includes the actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered.
- f. Mobile Robots
 - (1) We will pay for physical damage to Covered Property from an "accident" or "electronic circuitry impairment" when the "covered equipment" is a "mobile robot".
 - (2) The most we will pay under this Mobile Robots coverage is \$50,000. This amount includes Spoilage and Consequential Damage, Data Restoration, and the actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered.
- g. Off Premises Equipment Breakdown
 - (1) We will pay for physical damage to portable "covered equipment" that, at the time of the "accident" or "electronic circuitry impairment", is not at a covered location.
 - (2) We will also pay for your reasonable and necessary cost to research, replace and restore lost "data" contained within portable "covered equipment" as described in (1) above. This amount may not exceed the limit applicable to Data Restoration coverage.
 - (3) With respect to this Off Premises Equipment Breakdown coverage only, the "accident" or "electronic circuitry impairment" may occur anywhere in the world except within any country on which the United States has imposed sanctions, embargoes or similar restrictions on the provision of insurance.
 - (4) The most we will pay under this Off Premises Equipment Breakdown coverage is \$10,000, unless otherwise shown in a "schedule". Our payment under this coverage includes:
 - (a) The actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered; and
 - (b) Data Restoration as described in (2) above.
- h. Public Relations
 - (1) This coverage only applies if you have sustained an actual loss of Business Income covered under this endorsement.

- (2) We will pay for your reasonable costs for professional services to create and disseminate communications, when the need for such communications arises directly from the interruption of your business. This communication must be directed to one or more of the following:
 - (a) The media;
 - (b) The public; or
 - (c) Your customers, clients or members.
 - (3) Such costs must be incurred during the "period of restoration" or up to 30 days after the "period of restoration" has ended.
 - (4) The most we will pay under this Public Relations coverage is \$25,000.

- j. Resultant Loss from a Cyber Event
- All coverages under this Equipment Breakdown Coverage are extended to an "accident" or "electronic circuitry impairment" caused by or resulting from a "cyber event".
- k. Service Interruption
- (1) Any insurance provided for Business Income, Extra Expense, Data Restoration or Spoilage and Consequential Damage is extended to apply to your loss, damage or expense caused by a failure or disruption of service. The failure or disruption of service must be caused by an "accident" or "electronic circuitry impairment" to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord's utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, internet access, telecommunications services, "cloud or outsourced computing services", wide area networks or data transmission. The equipment must meet the definition of "covered equipment" except that it is not Covered Property.
- (2) "Cloud or outsourced computing services" must be provided by a professional provider with whom you have a contract. With respect to this Service Interruption coverage only, the "accident" or "electronic circuitry impairment" to the equipment of a provider of "cloud or outsourced computing services" may occur anywhere in the world except within any country on which the United States has imposed sanctions, embargoes or similar restrictions on the provision of insurance.
 - (3) With respect to the Data Restoration portion of this Service Interruption coverage, coverage will also apply to "data" stored in the equipment of a provider of "cloud or outsourced computing services".
 - (4) Unless otherwise shown in a "schedule", Service Interruption coverage will not apply unless the failure or disruption of service exceeds 24 hours immediately following the "accident" or "electronic circuitry impairment". If the interruption exceeds 24 hours, coverage will begin at the time of the interruption and the applicable deductible will apply.
 - (5) The most we will pay in any "one equipment breakdown" under this Service Interruption coverage is the applicable limit for Business Income, Extra Expense, Data Restoration or Spoilage and Consequential Damage. However, if a limit is shown in a "schedule" for Service Interruption, that limit will apply to Business Income and Extra Expense loss under this coverage.
- l. Spoilage and Consequential Damage
- (1) We will pay for physical damage to "perishable goods" due to "spoilage and consequential damage".
 - (2) Refrigerant Contamination
We will also pay for physical damage to "perishable goods" due to contamination from the release of refrigerant, including, but not limited to, ammonia. If a separate limit is indicated for Refrigerant Contamination, this amount is part of, and not in addition to, your Spoilage and Consequential Damage limit.
 - (3) We will also pay any necessary expenses you incur to reduce the amount of loss under this Spoilage and Consequential Damage coverage. However, we will not pay more than the amount that would otherwise have been payable under this Spoilage and Consequential Damage coverage.

- (4) The most we will pay under this Spoilage and Consequential Damage coverage is \$25,000, unless otherwise shown in a "schedule".

3. EQUIPMENT BREAKDOWN EXCLUSIONS

All exclusions in the applicable Causes of Loss form apply except those that would specifically prevent an "accident" or an "electronic circuitry impairment" from being a Covered Cause of Loss. Exclusions listed in this endorsement apply regardless of cause.

a. The following exclusions are modified:

- (1) If the Causes of Loss—Basic Form or Causes of Loss—Broad Form applies, the following is added to Exclusion B.2.:

Wear and tear, corrosion, depletion, deterioration, erosion, settling or other gradually developing conditions. However, if an "accident" or "electronic circuitry impairment" results, we will pay for the resulting loss, damage or expense caused by that "accident" or "electronic circuitry impairment".

- (2) If the Causes of Loss—Special Form applies, with respect to this endorsement only, the last paragraph of Exclusion B.2.d. is deleted and replaced with the following:

But if a cause of loss that is excluded and listed in B.2.d.(1) through (7) results in an "accident" or "electronic circuitry impairment", we will pay for the resulting loss, damage or expense caused by that "accident" or "electronic circuitry impairment".

b. The following exclusions are added:

- (1) We will not pay for damage, expense or other loss caused by any of the following causes of loss, whether directly or indirectly. This exclusion applies even if the excluded cause of loss was the result of an "accident" or "electronic circuitry impairment":

- (a) Fire, including smoke from a fire.
- (b) Explosion of gas or unconsumed fuel within the furnace of any boiler or fired vessel or within the passages from that furnace to the atmosphere.
- (c) Any other explosion, except as specifically covered under this endorsement.

However, if electrical "covered equipment" requires drying out because of the above, we will pay for the amount you actually expend to dry out such equipment, subject to the applicable Limit of Insurance and deductible for Building or Business Personal Property, whichever applies. We will not pay more than the "actual cash value" of the affected electrical "covered equipment". We will not pay to replace such equipment or for any other loss, damage or expense.

- (f) Vandalism, meaning a malicious act that causes damage or destruction. However, this exclusion does not apply to a "cyber event".
- (g) Any "cyber event", except as specifically provided in A.2.j. (Resultant Loss from a Cyber Event coverage).
- (h) Your failure to use all reasonable means to protect Covered Property from damage following an "accident" or "electronic circuitry impairment".

- (j) Discharge of molten material from equipment, including the heat from such discharged material.

- (2) We will not pay for loss, damage or expense caused directly or indirectly by any condition or event listed in (a) through (d) below, without regard to whether such condition or event is normal and expected or unusual and unexpected. However, if a condition or event that is listed in (a) through (d) below results in an "accident" or "electronic circuitry impairment" and no other exclusion applies, we will pay only for the loss caused by that "accident" or "electronic circuitry impairment".

- (a) Any defect, error or shortcoming in design or installation;
- (b) Any defect, programming error, programming limitation, loss of "data", loss of access, loss of use, loss of functionality or other condition within or involving "data" or "media" of any kind;

This includes, but is not limited to, costs arising from clean-up, remediation, containment, removal or abatement of such mold, fungus, mildew, yeast, spores or toxins. However, this exclusion does not apply to "spoilage and consequential damage" of personal property that is "perishable goods", to the extent that such "spoilage and consequential damage" is covered under Spoilage and Consequential Damage coverage.

- x. "Spoilage and consequential damage" means any detrimental change in physical state. This includes, but is not limited to:

- (1) Thawing of frozen goods;
- (2) Warming of refrigerated goods;
- (3) Freezing of fresh goods;
- (4) Solidification of liquid or molten material; and
- (5) Chemical reactions to material in process.

- y. "Vehicle"

- (1) "Vehicle" means, with respect to this endorsement only, any machine or apparatus that is used for transportation or is able to move about under its own power, even if it is solely used within a structure or building. "Vehicle" includes, but is not limited to, any car, truck, bus, trailer, train, aircraft, drone, watercraft, forklift, bulldozer, tractor or harvester.

- (2) None of the following is a "vehicle":

- (a) Any property at a covered location that, for at least 24 consecutive hours, has been stationary, installed and receiving electrical power from a power source that is external to such property. However, a battery-propelled machine or apparatus that requires periodic recharging is considered a "vehicle" and not subject to this exception.

- (b) Any "mobile robot".

- B. The Building and Personal Property Coverage Form is modified as follows.

The definitions stated above also apply to section B. of this endorsement.

1. EQUIPMENT BREAKDOWN LIMITS OF INSURANCE

Any payment made under this Equipment Breakdown Coverage will not be increased if multiple insureds are shown in the Declarations or if you are comprised of more than one legal entity.

- a. The most we will pay for loss, damage or expense arising from any "one equipment breakdown" is the applicable Limit of Insurance in the Declarations, unless otherwise shown in a "schedule". Coverage provided under this endorsement does not provide an additional amount of insurance.
- b. Loss arising from any "one equipment breakdown" may continue to be present or recur in a later policy period. In such a case, the most we will pay for all loss, damage or expense arising out of any "one equipment breakdown" is the coverage limit at the time of the "accident" or "electronic circuitry impairment".
- c. If two or more coverage limits apply to the same loss or portion of a loss, we will pay only the smallest of the applicable limits for that loss or portion of that loss.

2. EQUIPMENT BREAKDOWN DEDUCTIBLE

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in a "schedule". If a separate Equipment Breakdown deductible is shown, the following applies.

Only as regards Equipment Breakdown Coverage, provision D. DEDUCTIBLE is deleted and replaced with the following:

a. Deductibles for Each Coverage

- (1) Unless the "schedule" indicates that your deductible is combined for all coverages, multiple deductibles may apply to any "one equipment breakdown".
- (2) We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.

- (3) If deductibles vary by type of "covered equipment" and more than one type of "covered equipment" is involved in any "one equipment breakdown", only the highest deductible for each coverage will apply.

b. Direct and Indirect Coverages

- (1) Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the "schedule".
- (2) Unless more specifically indicated in the "schedule":
 - (a) Direct Coverages Deductibles apply to all loss, damage or expense covered by this Equipment Breakdown Coverage with the exception of Business Income and Extra Expense loss, regardless of where such Business Income and Extra Expense coverage is provided in this Equipment Breakdown Coverage; and
 - (b) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss, regardless of where such coverage is provided in this Equipment Breakdown Coverage.

c. Application of Deductibles

(1) Dollar Deductibles

We will not pay for loss, damage or expense resulting from any "one equipment breakdown" until the amount of loss, damage or expense exceeds the applicable deductible shown in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible or deductibles, up to the applicable Limit of Insurance.

(2) Time Deductible

If a time deductible is shown in the "schedule", we will not be liable for any loss occurring during the specified number of hours or days immediately following the "accident" or "electronic circuitry impairment". If a time deductible is expressed in days, each day will mean twenty-four consecutive hours.

(3) Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no "accident" or "electronic circuitry impairment" occurred, divided by the number of working days in that period. No reduction will be made for the Business Income not being earned, or in the number of working days, because of the "accident" or "electronic circuitry impairment" or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the "period of restoration". The number indicated in the "schedule" will be multiplied by the ADV as determined above. The result will be used as the applicable deductible.

(4) Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible) insured under the coverage that is applicable. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

(5) Horsepower Deductibles

If a deductible is expressed as a function of horsepower, the indicated amount per horsepower will be multiplied by the horsepower rating of the applicable "covered equipment". The resulting amount will apply as a Dollar Deductible. If the resulting amount is less than the indicated Minimum Deductible, the Minimum Deductible will be the applicable deductible. If the "covered equipment" is an air conditioning or refrigeration system, the indicated amount per horsepower will be multiplied by the horsepower rating of the system's largest motor or compressor. If systems or components are rated in tonnage of cooling capacity, each ton of rated capacity will be converted to horsepower in accordance with the following chart:

Horsepower Equivalent Per One Ton of Rated Cooling Capacity	
Centrifugal Compressor System	0.7 hp
Hermetic Scroll Compressor System	1.0 hp
Reciprocating Compressor System	1.5 hp
Screw Compressor System	1.5 hp
All Other Systems	4.7 hp

3. EQUIPMENT BREAKDOWN CONDITIONS

- a. The following conditions are in addition to the Conditions in the Building and Personal Property Coverage Form, the Commercial Property Conditions and the Common Policy Conditions.

(1) Jurisdictional Inspections

If any property that is "covered equipment" under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

(2) Suspension

Any of our representatives may immediately suspend the insurance against loss from an "accident" or "electronic circuitry impairment" to any "covered equipment" that is found to be in a dangerous condition or exposed to a dangerous condition. They may do this by mailing or delivering a written notice of suspension to:

- (a) Your address most recently known to us; or
- (b) The address where the applicable "covered equipment" is located.

The only way we may reinstate insurance is by issuing an endorsement for that "covered equipment".

We will refund the premium applicable to the suspended "covered equipment", prorated for the period of suspension. However, the suspension will be effective immediately even if we have not yet offered or made a refund.

- b. With respect to this endorsement only, the Valuation Condition in the Building and Personal Property Coverage Form is deleted and replaced with the following:

Valuation

We will determine the value of Covered Property as follows:

- (1) Except as specified otherwise, our payment for damaged Covered Property will be the least expensive of:
 - (a) The cost to repair the damaged property;
 - (b) The cost to replace the damaged property on the same site; or
 - (c) The amount you actually spend that is necessary to replace or repair the damaged property.
- (2) The amount of our payment will be based on the most cost-effective means to replace the function, capacity and remaining useful life of the damaged property. This may include the use of generic, used or reconditioned parts, equipment or property. This will not include costs to research or correct defects, errors or shortcomings in the design or installation of the Covered Property.
- (3) Except as described in (4) below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.
- (4) Environmental, Safety and Efficiency Improvements

If "covered equipment" requires replacement due to an "accident" or "electronic circuitry impairment", we will pay your additional cost to replace with equipment that is better for the environment, safer for people or more energy or water efficient than the equipment being replaced. However, we will not pay to increase the size or capacity of the equipment and we will not pay more than 150% of what the cost would have been to replace with like kind and quality. This provision does not apply to any property to which "actual cash value" applies and does not increase any of the applicable limits.

- (5) Consequential Loss to Undamaged Stock
Our payment for damaged Covered Property will include compensation for undamaged stock that loses market value or requires additional expense because of the damage to the Covered Property.
- (6) The following property will be valued on an "actual cash value" basis:
 - (a) Any property that does not serve a useful or necessary function for you;
 - (b) Any Covered Property that you do not repair or replace within 24 months after the date of the "accident" or "electronic circuitry impairment"; and
 - (c) Any Covered Property for which "actual cash value" coverage is specified in a "schedule".
- (7) If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:
 - (a) The property was manufactured by you;
 - (b) The sales price of the property is less than the replacement cost of the property; or
 - (c) You are unable to replace the property before its anticipated sale.
- (8) Except as specifically provided for under Data Restoration coverage, "data" and "media" will be valued on the following basis:
 - (a) For mass-produced and commercially available software, at the replacement cost.
 - (b) For all other "data" and "media", at the cost of blank "media" for reproducing the records. We will not pay for "data" representing financial records based on the face value of such records.

ALL OTHER PROVISIONS OF THIS POLICY APPLY.

The following is added to the policy, and shall take precedence over any other conflicting policy provision, condition or endorsement:

1. We will have no duty to defend any additional insured against claims alleging the additional insured is legally obligated to pay damages because of "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by the work or operations of other contractors, subcontractors, materialmen and suppliers, or the additional insured's own acts or omissions in connection with such other operations or work, materials, or supplies.

FLORIDA SELECTION / REJECTION EXCESS UNINSURED / UNDERINSURED MOTORIST COVERAGE

You are electing not to purchase certain valuable coverage which protects you and your family or you are purchasing excess uninsured/underinsured motorist limits less than your bodily injury limits when you sign this form.

Please read carefully.

This notice is to inform you of the availability of excess uninsured motorist coverage and your right to select or reject this coverage.

Florida Statute §627.727 requires insurers offer uninsured motorist coverage at limits equal to the bodily injury liability limit or \$1 million, whichever is less. As the insured named in the policy, you may select or reject excess uninsured motorist coverage.

What is Uninsured Motorist Coverage (UM/UIM)?

Uninsured Motorist coverage provides for payment of certain benefits for damages caused by owners or operators of uninsured motor vehicles because of bodily injury or death resulting therefrom. Such benefits may include payments for certain medical expense, lost wages and pain and suffering subject to limitations and conditions contained in the policy. For the purpose of this coverage, an uninsured motor vehicle may include a motor vehicle which is insured at bodily injury limits less than the damages you incur.

Please indicate your umbrella UM/UIM choice by entering an "X" in one of the boxes below, then sign, date and return this form to your Insurance Agent or Company.

The following UM/UIM selection / rejection shall apply to this policy and all future renewals of such policy. It shall also apply to future policies issued to you by this Company necessitated by vehicle or coverage changes, or because of an Interruption of Coverage. This selection / rejection remains in effect until you notify the Company in writing that you are electing to modify UM/UIM coverage under your policy.

The undersigned insured(s) make the following Uninsured Motorist (UM/UIM) choice:

- ☐ I hereby reject Uninsured / Underinsured Motorist (UM/UIM) umbrella coverage.
- ☐ I hereby select \$1,000,000 Bodily Injury Uninsured / Underinsured Motorist umbrella coverage limits. **This selection will incur an additional charge** and is conditioned on maintaining Uninsured / Underinsured Motorist (UM/UIM) coverage on all motor vehicles covered by my underlying auto policies at limits equal to the bodily injury liability limits stated on the Automobile Declarations or Umbrella Schedule of Underlying Insurance.

I hereby warrant, by my signature below, that I have specific authority by any corporation or other party named as a named insured to select or reject uninsured motorist coverage on behalf of the corporation or other party for whom this selection is made.

Section III – Limits Of Insurance is replaced by the following:

Section III – Limits Of Insurance

1. The Limits Of Insurance shown in the Declarations and the Schedule of this endorsement, and the rules below fix the most we will pay regardless of the number of:

- a. Insureds;
- b. Claims made, "suits" brought, or number of vehicles involved; or
- c. Persons or organizations making claims or bringing "suits".

2. The Aggregate Limit is the most we will pay for the sum of all "ultimate net loss" under:

- a. Coverage **A**, except "ultimate net loss" because of "bodily injury" or "property damage":

(1) Arising out of the ownership, maintenance or use of a "covered auto"; or

(2) Included in the "products-completed operations hazard"; and

- b. Coverage **B**.

3. The Products-Completed Operations Aggregate Limit shown in the Schedule of this endorsement is the most we will pay for the sum of all "ultimate net loss" under Coverage **A** for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".

4. Subject to Paragraph 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" under Coverage **A** because of all "bodily injury" and "property damage" arising out of any one "occurrence".

5. Subject to Paragraph 2. above, the Personal And Advertising Injury Limit is the most we will pay under Coverage **B** for the sum of all "ultimate net loss" because of all "personal and advertising injury" sustained by any one person or organization.

6. If there is "underlying insurance" with a policy period that is nonconcurrent with the policy period of this Commercial Liability Umbrella Coverage Part, the "retained limit(s)" will only be reduced or exhausted by payments for:

a. "Bodily injury" or "property damage" which occurs during the policy period of this Coverage Part; or

b. "Personal and advertising injury" for offenses that are committed during the policy period of this Coverage Part.

However, if any "underlying insurance" is written on a claims-made basis, the "retained limit(s)" will only be reduced or exhausted by claims for that insurance that are made during the policy period, or any Extended Reporting Period, of this Coverage Part.

The Aggregate Limits, as described in Paragraphs 2. and 3. above, apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

AT TIME OF INJURY *(if not life threatening)* CALL Medcor* at 800-226-9355

**NOTE: If Medcor triage service is utilized, a claim will be set up with FCCI.*

FCCI Insurance Group has partnered with Medcor's 24/7 Injury Triage program to provide a value-added service to our members. While this service is not mandated, it has proven to reduce workers' compensation claim costs and improve lag time in reporting.

Even in the safest work environments, employees can still get hurt, creating challenges for everyone involved. Incidents are sometimes reported late and inconsistently. Supervisors face medical decisions they are not prepared to handle. As a result, employees with minor injuries are often sent for unnecessary and expensive off-site care when first aid may have been medically appropriate. Worse yet, employees with serious conditions sometimes do not get the immediate care they need.

These workplace challenges are confronted head-on by the innovative 24/7, toll-free, injury triage hotline established by FCCI and Medcor.

Now, employers and supervisors in any industry, even mobile workers, can call Medcor's Injury Triage Service which uses state-of-the-art software and patented methods to determine the best course of action for the injured worker.

Mutual structure

At FCCI, we believe our mutual structure serves our customers best. Unlike a public company that makes decisions based on stock exchange prices, FCCI's mutual holding company structure allows business decisions to be made on a long-term basis, drawing feedback from our customers and more than six decades of industry experience.

Partnership focus

FCCI partners with select independent agencies who share our commitment to excellence and customer service. FCCI listens to our independent agents and makes decisions that make sense for our customers. Over the years, FCCI has expanded our geography and product line to accommodate our growing customer base. Today, FCCI insures more than 12,500 policyholders in 20 states plus the District of Columbia. Our Surety products are available in 46 states. FCCI believes our regional operational structure sets us apart from larger, more impersonal carriers who may be less knowledgeable about local matters.

Ethics and integrity

Since 1959, FCCI has established a pattern of "Doing what we say we're going to do." For more than 60 years, our commitment to doing the right thing has not changed. In fact, FCCI has built our reputation on it. Ethics and integrity have been and continue to be the foundation for everything we do.
