Completed extension requests need to be sent into Linx with a minimum of two weeks lead time. Extensions on projects with claims, changes in scope, project values or risk profile or may be subject to terms differing from the initial policy terms. Policies with multiple extensions or long-term extensions may also be subject to terms differing from the initial policy terms. If no extension request is received prior to expiry, the policy will lapse. If a policy is allowed to lapse but still requires coverage, backdating must be referred to markets and is a difficult process. We cannot guarantee continuity of coverage. Policies are subject to final adjustment based on the completed project value on expiry.

Quote Subject To:

- 1) Our quote is valid for 30 days from the date of quote and subject to no changes from provided details.
- 2) Confirmation of satisfactory claims history for the General Contractor in the past 3 year
