IMPORTANT INFORMATION

NOTICE OF INSURANCE COVERAGE FOR ACTS OF TERRORISM AND DISCLOSURE OF PREMIUM

You are hereby notified that under the Terrorism Risk Insurance Act, as extended and reauthorized ("Act"), you have a right to purchase insurance coverage of losses arising out of acts of terrorism, as defined in Section 102(1) of the Act, subject to all applicable policy provisions. The Terrorism Risk Insurance Act established a federal program within the Department of the Treasury, under which the federal government shares, with the insurance industry, the risk of loss from future terrorist attacks.

The Act applies when the Secretary of the Treasury certifies that an event meets the definition of an act of terrorism. Originally, the Act provided that, to be certified, an act of terrorism must cause losses of at least five million dollars and must have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest as part of an effort to coerce the government or population of the United States. However, the 2007 re-authorization of the Act no longer requires the act of terrorism to be committed by or on behalf of a foreign interest and certified acts of terrorism now encompass, for example, a terrorist act committed against the United States government by a United States citizen when the act is determined by the federal government to be "a certified act of terrorism".

In accordance with this Act, we are required to continue to offer you coverage for losses resulting from an act of terrorism that is certified under the federal program. The policy's other provisions, including nuclear, war or military action exclusions, will still apply to such an act. The premium for this coverage will be included for each coverage part as shown below under DISCLOSURE OF PREMIUM and is included in, not in addition to, the premium shown on the Account Premium Recap.

DISCLOSURE OF PREMIUM:

Policy Number	Coverage Part	Terrorism Premium*	Effective Date
8035264807	Umbrella	\$150	10/12/2025
8035264788	Property	\$285	10/12/2025
	Property - Fire Following *		10/12/2025
	Liability	\$14	10/12/2025

DISCLOSURE OF FEDERAL PARTICIPATION IN PAYMENT OF TERRORISM LOSSES

The United States Department of the Treasury will pay a share of terrorism losses insured under the federal program. Beginning in 2020, the federal share equals 80% of that portion of the amount of such insured losses that exceeds the applicable insurer retention.

However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

Further, this coverage is subject to a limit on our liability, pursuant to the federal law where, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and, in such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

* Due to state Standard Fire Policy regulations, this premium must be retained even if certified acts of terrorism coverage is excluded for locations in the following states: CA, GA, HI, IA, IL, MA, ME, MO, NC, NJ, NY, OR, RI, WA, WV, and WI (the same regulations apply to terrorism premium retained for Inland Marine for locations in the states of CA, ME, MO, OR and WI).

The Bound policy premium is not inclusive of UM/UIM coverage for FL, LA, NH, WV or limits above the statutory limits for VT, unless specifically listed in the Premium/Amount due section above. The limits for the purchase of optional UM/UIM coverage can be found on their respective election/rejection forms and any premiums included are based on the vehicles reported to us in the submission.

If the insured has owned and/or non-owned vehicles in FL, LA, NH, WV and VT that have not been disclosed or that are in addition to those provided in your submission, you must notify us as soon as possible so the premium Bound can be adjusted accordingly.

UNINSURED/UNDERINSURED MOTORIST COVERAGE SELECTION FORM - FLORIDA

IMPORTANT INFORMATION

FOR FLORIDA UMBRELLA AND EXCESS POLICYHOLDERS

UNINSURED/UNDERINSURED MOTORIST COVERAGE SELECTION FORM

Florida Insurance Statute 627.727 requires insurers to make available, at the written request of the **Insured**, Uninsured/Underinsured Motorists Coverage with **bodily injury** limits up to the bodily injury limit of the policy or \$1 million, whichever is less. The \$1 million limit in the non-stacked form is available for the **Named Insured** to select. Unless this form is completed, signed and returned, no Uninsured/Underinsured Motorists Coverage will be provided.

The following is a general description of Uninsured and Underinsured Motorists Coverage. Only the policy provides a complete description of the coverages and their limitations. If the **Named Insured** has any questions about these or other coverages, the **Named Insured** should contact its independent CNA agent or broker.

Uninsured Motorist Coverage (UM) – This coverage provides the **Named Insured** and all covered persons with **bodily injury** protection if injured in an accident with a driver who has no liability insurance, or has failed to post a bond, and who is legally liable for the **Named Insured's** damages. The coverage also provides protection if the **Named Insured** is injured as a result of a hit-and-run accident.

Underinsured Motorist Coverage (UIM) – This coverage provides the **Named Insured** and all covered persons with **bodily injury** protection if injured in an accident with a driver who has liability insurance with limits lower than the Underinsured Motorist limits the **Named Insured** has selected and who is legally liable for damages. In this case, the **Named Insured's** Underinsured Motorist Coverage would pay for damages, to which the **Named Insured** is legally entitled, after the other driver's liability limits are exhausted.

If Excess Uninsured/Underinsured Motorists Coverage is desired, the **Named Insured** must have primary (underlying) **bodily injury** uninsured/underinsured motorist coverage. The Excess Uninsured/Underinsured Motorist Coverage is not available if the underlying coverage is not in effect at the time of the accident or occurrence. The Uninsured/Underinsured Motorists Liability limit on the primary motor vehicle liability policy must equal at least the **bodily injury** liability limit, but not less than a **bodily injury** liability limit of \$500,000 per accident.

Please select one of the following:

_____ Do not include the Uninsured/Underinsured Motorists Coverage under the umbrella/excess policy. **Note:** This selection is also made on behalf of all present and future **Insureds** under the policy.

_____ Include the Uninsured/Underinsured Motorist Coverage, at \$1,000,000 liability limit, under the umbrella/excess policy.

Acting on behalf of the **Named Insured** identified on the Declarations Page, the undersigned acknowledges

reading and understanding the above and understands that the above coverage selection will apply to all future renewals, extensions, continuations, replacements of and changes in the policy unless the **Named Insured** notifies the Insurer otherwise in writing. Furthermore, the undersigned certifies that the limit(s) for Uninsured/Underinsured Motorist Coverage in the underlying motor vehicle liability insurance policy is/are equal to the **bodily injury** liability limits specified in that policy but not less than a **bodily injury** limit of \$500,000 per accident.

The undersigned authorized representative expressly warrants and represents that he or she has the necessary and appropriate authority to act on behalf of all **Insureds** under the policy to select or reject uninsured and underinsured motorist coverage.

Uninsured/Underinsured Motorists Bodily Injury Coverage Form

Uninsured/Underinsured Motorists Bodily Injury Coverage, referred to as “**UMBI**” in this form, is insurance that pays persons insured by your policy who are injured in an accident caused by an owner or operator of an uninsured or underinsured motor vehicle. Depending on the coverage purchased, UMBI Coverage can provide compensation for both economic and non-economic losses.

Economic losses are those that can be measured in specific monetary terms including but not limited to medical costs, funeral expenses, lost wages and out of pocket expenses.

Non-economic losses are losses other than economic losses and include but are not limited to pain, suffering, inconvenience, mental anguish and other non-economic damages otherwise recoverable under the laws of this state.

By law, your policy will include UMBI Coverage at the same limits as your Bodily Injury Liability Coverage unless you request otherwise. If you wish to reject UMBI Coverage, select lower limits of UMBI Coverage, or select Economic-Only UMBI Coverage, you must complete this form and return it to your insurance agent or insurance company. (Economic-Only UMBI Coverage may not be available from your insurance company. In this case, your company will have marked options 2 and 3 below as “Not Available.”)

2. N/A
Initials **I select Economic-Only UMBI Coverage**, which provides compensation for economic losses **with the same limits** as the Bodily Injury Liability Coverage indicated on the policy.

EXCESS UNINSURED MOTORISTS COVERAGE SELECTION FORM - VERMONT

The following is a general description of uninsured motorists coverage. Only the **Named Insured's** policy provides the **Named Insured** with a complete description of the coverages and their limitations.

UNINSURED MOTORISTS COVERAGE (UM) – This coverage provides the **Named Insured** and all covered persons with **bodily injury** protection if injured in an accident with a driver who has no liability insurance, has failed to post a bond, or who has liability insurance with limits lower than the Uninsured Motorist limits the **Named Insured** has selected, and who is legally liable for the **Named Insured's** damages. The coverage also provides protection if the **Named Insured** is injured as a result of a hit-and-run accident.

Uninsured Motorist Property Damage (UMPD) coverage is mandatory for the **Named Insured's** vehicle. This protects the **Named Insured** against property damage losses to your vehicle in the event you are involved in an accident arising out of actual physical contact between the **Named Insured's** vehicle and another driver's vehicle that is not insured. This will be provided at a limit of \$10,000 per claim with a \$150 deductible.

This coverage is not first dollar coverage. The Uninsured Motorists Liability limit on the underlying automobile liability policy must equal the liability limit on that policy, subject to a \$1,000,000 minimum underlying uninsured motorists coverage limit. The Uninsured Motorist Property Damage limit on the underlying automobile policy must equal at least \$10,000.

Please select one of the following options:

- ☐ I select Uninsured Motorists Coverage limits of \$100,000 combined single limits, which are the minimum limits permitted for Excess Liability policies. The cost for this coverage is included in the policy premium.
- ☐ I select Uninsured Motorists Coverage at a limit equal to the policy liability limit, and wish to include this coverage on my excess policy. The cost of this coverage is TBD
- ☐ I select Uninsured Motorists Coverage limits of \$_____ and wish to include this coverage on my excess policy. Upon receipt of the completed selected form, the company provides a premium Policy for the selected limits under separate cover.

I understand that this coverage selection will apply to all future renewals, continuations and changes in my policy unless I notify you otherwise.

OPTIONAL EXCESS UNINSURED MOTOR VEHICLE COVERAGE OFFER - WEST VIRGINIA

IMPORTANT NOTICE

RETURN ATTACHED FORMS WITHIN THIRTY (30) DAYS

TO: PROPOSED POLICYHOLDER (APPLICANT)

IF THE NAMED INSURED DOES NOT RETURN THESE FORMS TO CNA WITHIN THIRTY (30) DAYS THE NAMED INSURED WILL BE PRESUMED TO HAVE REJECTED UNINSURED AND UNDERINSURED MOTOR VEHICLE COVERAGES.

OR

PRESENT POLICYHOLDER

IF THE NAMED INSURED DOES NOT RETURN THESE FORMS TO CNA WITHIN THIRTY (30) DAYS YOUR COVERAGE WILL STAY THE SAME AS IT IS NOW. THIS IS AN OPPORTUNITY TO CHANGE THE COVERAGE THE NAMED INSURED PRESENTLY HAS.

UNinsured Motor Vehicle Coverage

The State of West Virginia requires that the **Named Insured** purchase **UNinsured** motor vehicle coverage with limits not less of \$20,000 per person, \$40,000 per accident for uninsured **bodily injury** losses, and \$10,000 for uninsured property losses under the **Named Insured's** basic automobile coverage. In the **Named Insured's** case, the **Named Insured** has already done so, and the **Named Insured** has opted to purchase excess or umbrella type coverage which is also written to cover automobile liability. Therefore, the law also requires that the **Named Insured** be given the opportunity to purchase uninsured motor vehicle coverage in an amount not less than the liability limit or limits selected on the excess or umbrella policy as well.

UNinsured Motor Vehicle Coverage may protect the **Named Insured** and passengers in the **Named Insured's** your car if the **Named Insured** is injured in an accident that was caused by a driver who was at-fault, or an unidentified driver who was at-fault but who does not have insurance to pay for your damages.

UNDERinsured Motor Vehicle Coverage

The State of West Virginia **does not require** the **Name Insured** to purchase any **UNDERinsured** motor vehicle coverage under the **Named Insured's** basic automobile policy. However, the law does state that the **Name Insured** must be given the opportunity to purchase this coverage in an amount not less than the **Named Insured's** liability coverage. In the **Named Insured's** case, the **Named Insured** has opted to purchase excess or umbrella coverage which is also written to cover automobile liability. Therefore, the law also requires that the **Named Insured** be given the opportunity to purchase underinsured motor vehicle coverage in an amount not less than the liability limit or limits selected on the excess or umbrella policy as well.

UNDERinsured motor vehicle coverage may protect the Named Insured and passengers in the Named Insured's car if the Named Insured is involved in an accident which was caused by a driver who was at-fault but the at-fault driver's insurance policy is not sufficient to pay for the Named Insured's damages. In some cases the at-fault driver will not have enough liability coverage to pay for all the damages the Named Insured has suffered. In order for the Named Insured to protect himself/herself and others in the Named Insured's car, UNDERinsured motor vehicle coverage is available to the Named Insured. This type of coverage may pay for the remainder of the Named Insured's damages up to the Name Insured's your policy limits.

EXAMPLE:

The **Named Insured** has purchased **UNDERinsured** motor vehicle coverage under the **Named Insured's** auto policy with limits of \$1,000,000 per person with a maximum of \$1,000,000 for any accident. The **Named Insured** has also purchased underinsured motor vehicle coverage under the **Named Insured's** umbrella in the amount of \$1,000,000. The **Named Insured** is in an accident where the other driver is at fault. The at-fault driver's liability policy limits are \$20,000 per person. The **Named Insured** suffered damages of \$1,300,000. The **Named Insured** receives \$20,000 from the at-fault driver's insurance. Since the **Named Insured** still has outstanding

losses of \$1,280,000, the **Named Insured** can receive \$1,000,000 from the **Named Insured's UNDERinsured** motor vehicle coverage under the **Named Insured's** auto policy and \$280,000 from the **Named Insured's** underinsured motor vehicle coverage under the **Named Insured's** umbrella.

If the **Named Insured** does not have **UNDERinsured motor vehicle coverage**, the **Named Insured** may have found himself/herself in a situation where the **Named Insured** did not have enough coverage to meet all of the losses the **Named Insured** sustained in the accident.

Underlying Insurance Requirement

If the **Named Insured** elects **UNinsured** motor vehicle coverage under the umbrella or excess type coverage, the **Named Insured** must purchase **UNinsured** motor vehicle coverage under the **Named Insured's** auto policy with limits at least equal to the auto liability limits.

If the **Named Insured** elects **UNDERinsured** motor vehicle coverage under the umbrella or excess type coverage, the **Named Insured** must purchase **UNDERinsured** motor vehicle coverage under the **Named Insured's** auto policy with limits at least equal to the auto liability limits.

How to Avoid WC Bureau Criticisms and Auto Suspension Notices

Exceeding Service Expectations for Our Mutual Clients

Recently, many state bureaus have upgraded their systems to perform higher-quality compliance reviews. As a result, we have seen an uptick in both Workers' Compensation ("WC") criticisms and Automobile ("Auto") suspension notices being sent to our mutual customers. In collaboration with you, our brokers and agents, we usually resolve these quickly. However, we would like to avoid these notices from being sent at all.

The following guidance is being shared to explain some of the main causes for WC criticisms and Auto suspension notices, so you can work with your clients to provide us with necessary information early in the submission or binding process. In addition to helping avoid WC criticisms, providing this information prior to issuing the policy will also help ensure that WC posting notices will be sent out correctly the first time.

Workers' Compensation

The best way to avoid WC criticisms is to ensure we receive complete information prior to issuing the policy. Complete information relative to WC is defined as follows:

FEIN> NAME> LINK TO STATE> UI#. If any of the items below are incorrect or missing, the state will not accept the proof of coverage as valid, which may result in a WC criticism.

- Electronic filing for proof of coverage is by the FEIN number. Each Named Insured and FEIN listed on the policy must be linked to the state location or locations where the entity is registered to file proof of coverage. **Two Named Insureds can not share the same FEIN.**
- The **Named Insured/Employing Entity** included on the policy must have payroll associated with its operations.
- Each **Named Insured listed on the policy must be combinable with the policy owner/First Named Insured** by common ownership of at least 51%. In states other than California, ownership information must be provided on the ERM-14 form, which should be obtained prior to issuance when multiple names are on or added to a policy. In California, Form 601B is completed electronically by the Agent/Insured.
- All physical locations must be added to a policy unless the insured has no physical address and is a contractor or salesperson.

When a "no specific location" entry is provided instead of the "physical location" the Named Insured's mailing address is used. However, some states do not permit a "no specific location" entry so a physical address is needed. The physical address is requested by way of a criticism in Michigan, Wisconsin and California.

To comply with state guidelines, prior to issuing a policy; **HI, ME, MN, NJ, NY, RI &** require the State Unemployment ID number (UI#); HI UI# is called D.O.L.#; NJ UI# is called NJTIN. Policies will be rejected for proof of coverage without the valid UI#/D.O.L.#/NJTIN.

- Please note that a Legal Entity must be an employing entity in the United States. Any Named Insured with a foreign country in its name **should not** be listed on the policy.

Automobile

In order to best mitigate Auto suspension notices from being sent, we must have the following information for each vehicle:

- A valid VIN#
- Garage Location
- Proper registrant name for each vehicle (Do not assume that every vehicle is registered to the First Named Insured)
- FEIN numbers

SPECIAL NOTE:

These guidelines apply to **BOTH** new business, renewals and endorsements for WC and Auto. When adding entities or vehicles midterm, receipt of the complete information outlined above is needed.
