Re: Ameren Corporation - Excess Workers' Compensation Binder

Dear Lisa,

Everest Insurance is pleased to offer the following insurance binder. Our binder is effective the date listed on the binder. The binder may not meet all of your specifications, so please read carefully. The terms of this binder and the policy and its endorsements supersede any specific requests that you may have provided and are also subject to the specific conditions as noted in the binder itself and below:

*Premium is due within 30 days of the effective date.

*Policyholder agrees to accept an electronic policy and other related documents issued by Everest; policyholder may request a written policy.

I appreciate the opportunity to provide an insurance solution on this account. Should you have any questions, please feel free to contact me at any time.

POLICYHOLDER DISCLOSURE

NOTICE OF TERRORISM INSURANCE COVERAGE

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2019, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury in accordance with the provisions of the federal Terrorism Risk Insurance Act to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage which will decrease by one percentage point per calendar year beginning in the calendar year 2021 until it is equal to 80%. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits the U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is \$42,828 and does not include any charges for the portion of losses of coverage by the United States government under the Act.
