HOME STATE FOR NON-ADMITTED RISKS

Taxes and governmental fees are estimates and subject to change based upon current rates of the Home State and risk information available at the date of binding. The Home State of the Insured for a non-admitted risk shall be determined in accordance with the Nonadmitted and Reinsurance Act of 2010, 15. U.S.C §8201, etc. ("NRRA"). Some states require the producing broker to submit a written verification of the insured's Home State for our records. The applicable law (if any) of the Home State governing cancellation or non-renewal of non-admitted insurance, including whether any such laws apply to non-admitted risks, shall apply to this Policy.

Any amendments to coverage must be specifically requested in writing or by submitting a policy change request form and then approved by the Insurer. Coverage cannot be affected, amended, extended, or altered through the issuance of certificates of insurance. Underlying Insurers must be rated A- VII or better by A.M. Best.

PREMIUM FINANCE (If not included in the quote document)

If the insured and the insurer agree to bind coverage and the premium will be financed, upon binding, please instruct the premium finance company to send documents to our attention. Premium Finance funds should always be paid to RT Specialty.

PRODUCER COMPENSATION:

RT Specialty is typically compensated through commission from the insurer for the placement of policies in most transactions. The amount of the commission varies by insurance line and by carrier. RT Specialty might also receive additional compensation. In order to place the insurance requested we may charge a reasonable fee for additional services such as performing a risk analysis, comparing policies, processing submissions, communication expenses, inspections, working with underwriters on the coverage proposal, issuing policies, or servicing the policy after issuance. Any fees charged are fully earned at inception of the policy. Third-party inspection or other fees may be separately itemized upon request. Our fees are applied to new policies, renewal policies, and endorsements. Fees applicable to each renewal and endorsement will be set forth in the quotes. It is the insurance carrier's decision whether to offer the insurance quoted, and your client's decision whether to accept the quote. Our fee is not imposed by state law or the Insurer.

Depending upon the Insurer involved with your placement, we might also have an agreement with the Insurer that we are proposing for this placement that might pay us future additional compensation. This compensation could be based on formulas that consider the volume of business placed with the Insurer, the profitability of that business, how much of the business is retained for the Insurer's account each year, and potentially other factors. The agreements frequently consider total eligible premium from all clients placed during a calendar year and any incentive or contingent compensation is often received at a future date. Because of variables in these agreements, we often do not have an accurate means at the time of placement to determine the amount of any additional compensation that might be attributable to any single placement.

You, as the retail broker with the direct relationship with the Insured, must comply with all applicable laws and regulations related to disclosure of and consent and agreement to, compensation, and informing the Insured that it may request more information about producer or broker compensation that might be paid in connection with the Insured's placement. If we request a copy of any legally required insured consent or agreement, you will provide us with a copy. If you need additional information about the compensation arrangements for services provided by RT Specialty affiliates, please contact your RT Specialty representative.

RT Specialty is a division of RSG Specialty, LLC. RSG Specialty, LLC is a Delaware limited liability company and a subsidiary of Ryan Specialty, LLC. In California: RSG Specialty Insurance Services, LLC (License # 0G97516).

PRODUCER COMPENSATION:

In order to place the insurance requested we may charge a reasonable fee for additional services that may include performing a risk analysis, comparing policies, processing submissions, communication expenses, inspections, working with underwriters on the coverage proposal, issuing policies or servicing the policy after issuance. Third-party inspection or other fees may be separately itemized upon request. If the insured recommends an inspection company, we will endeavor to determine if it is approved by the Insurer. To the extent the insured paid us a fee for services, we represent the insured in performing those services. Our fees are fully earned and nonrefundable, except when required by applicable law. Our fees are applied to new policies, renewal policies, endorsements and certificates. Fees applicable to each renewal, endorsement and certificate will be explained in the Binders. In the event that the premium is adjustable upwards, our fees are adjustable as well and will be collected against any additional premium. The fee charged by us does not obligate the insured to purchase the proposed insurance or the Insurer to bind the proposed insurance. Our fee is not imposed by state law or the Insurer. This fee authorization shall remain operative until terminated by written notice. Depending upon the Insurer involved with your placement, we may also receive a commission from the Insurer.

We may also have an agreement with the Insurer that we are proposing for this placement that may pay us future additional compensation. This compensation is in addition to any fees and/or commissions that we have agreed to accept for placing this insurance. This compensation could be based on formulas that consider the volume of business placed with the Insurer, the profitability of that business, how much of the business is retained for the Insurer's account each year, and potentially other factors. The agreements frequently consider total eligible premium from all clients placed during a calendar year and any incentive or contingent compensation is often received at a future date, including potentially after the end of the following calendar year. Because of variables in these agreements, we often have no accurate way at the time of placement to determine the amount of any additional compensation that might be attributable to any Insured's placement. The broker with the direct relationship with the Insured must comply with all applicable laws and regulations related to disclosure of compensation, including disclosure of potential incentive or contingent compensation and the criteria for receiving such compensation, and informing the Insured that it may request more information about producer or broker compensation that might be paid in connection with the Insured's placement. Emerald affiliates may also earn investment income on accounts temporarily held as fiduciary funds, and compensation as a broker, underwriting manager, reinsurance intermediary, premium finance company, claims adjuster, consultant or service provider. If you need additional information about the compensation arrangements for services provided by Emerald affiliates, please contact your Emerald representative.

**POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM INSURANCE COVERAGE**

TERRORISM RISK INSURANCE ACT

Under the Terrorism Risk Insurance Act of 2002, as amended pursuant to the Terrorism Risk Insurance Program Reauthorization Act of 2019 (the “Act”), you have a right to purchase insurance coverage for losses arising out of acts of terrorism, as defined in Section 102(1) of the Act: The term “certified acts of terrorism” means any act that is certified by the Secretary of the Treasury—in consultation with the Secretary of Homeland Security, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that where coverage is provided by this policy for losses resulting from “certified acts of terrorism,” such losses may be partially reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear, chemical, biological or radioactive events. Under the formula, the United States Government agrees to reimburse eighty percent (80%) of covered terrorism losses that exceed the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided below and does not include any charges for the portion of loss that may be covered by the Federal Government under the Act.

You should also know that the Act, as amended, contains a \$100 billion cap that limits United States Government reimbursement as well as insurers’ liability for losses resulting from “certified acts of terrorism” when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

CONDITIONAL TERRORISM COVERAGE

The federal Terrorism Risk Insurance Program Reauthorization Act of 2019 is scheduled to terminate at the end of December 31, 2027, unless renewed, extended or otherwise continued by the federal government. Should you select Terrorism Coverage provided under the Act and the Act is terminated December 31, 2027, any terrorism coverage as defined by the Act provided in the policy will also terminate.

IN ACCORDANCE WITH THE ACT, YOU MUST CHOOSE TO SELECT OR REJECT COVERAGE FOR “CERTIFIED ACTS OF TERRORISM” BELOW:

The Note below applies for risks in these states: California, Georgia, Hawaii, Illinois, Iowa, Maine, Missouri, New Jersey, New York, North Carolina, Oregon, Rhode Island, Washington, West Virginia, Wisconsin.

NOTE: In these states, a terrorism exclusion makes an exception for (and thereby provides coverage for) fire losses resulting from an act of terrorism. Therefore, if you reject the offer of terrorism coverage, that rejection does not apply to fire losses resulting from an act of terrorism coverage for such fire losses will be provided in your policy.

If you do not respond to our offer and do not return this notice to the Company, you will have no Terrorism Coverage under this policy. Please select one of the checkboxes below.

☐	I hereby elect to purchase certified terrorism coverage for a premium of <u>\$0.00</u> . I understand that the federal Terrorism Risk Insurance Program Reauthorization Act of 2019 may terminate on December 31, 2027. Should that occur my coverage for terrorism, as defined by the Act, will also terminate.
☐	I hereby reject the purchase of certified terrorism coverage.
