After the completion of the policy term, a premium adjustment will be made for mid-year changes during the premium audit.

Commercial Automobile:

- This quotation is based on our understanding that all insured drivers have satisfactory driving records. As part of our underwriting review, we may obtain Motor Vehicle Reports.
- UM/UIM – If you wish to have Uninsured/Underinsured Motorist coverage(s) limits which differ from the default limits stated in the individual state election offer forms, you will need to complete a valid election prior to policy issuance. For new business, UM/UIM will be quoted with the limit(s) you requested. At the time of policy issuance, if we have not received the individual state(s) election offer form(s), as applicable, your policy will be issued with the default limits as stated in the individual state election offer form(s). Renewals will be issued as per the expiring UM/UIM limit(s) unless a valid updated election on the state offer form is received or we notify you of a change in the law or the interpretation thereof.

IMPORTANT INFORMATION CONCERNING YOUR MOTOR VEHICLE INSURANCE AND DMV REPORTING

States Requiring Electronic Reporting

Where reporting is required for a Composite Rated policy, only Policy level information (Policy Number, Named Insured, FEIN, Address) will be electronically submitted to the DMV system. Individual vehicle information is not required therefore the DMV must make a manual connection between the VIN and the policy that was reported. Upon issuance of the policy, it is recommended to take a list of all registered vehicles to the DMV and provide Proof of Insurance to ensure all vehicles are recognized as insured.

The following states require the carrier to electronically report to the DMV System: AK, AZ, CT, FL, ID, LA, MD, NV, NM, NC, OR, VA

- Recommended Proof of Insurance is a Commercial Fleet ID Card that contains no vehicle specific information.
- When communicating with the DMV, referring to the policy as “Non-Vehicle Specific” may avoid confusion with requirements.
- Registration Renewals cannot be completed online.

The following states require electronic reporting of the individual vehicle information to the State DMV System: California, Massachusetts, and New York.

- Except for Massachusetts, the required Proof of Insurance for California and New York is a Commercial Vehicle Specific ID Card containing vehicle specific information. i.e., Year, Make, Model, and VIN.
- Registration Renewals can be completed online.

However, it is **important** for you to understand state DMV reporting requirements as governmental statutes change frequently.

Commercial Exemption

The following states have a Commercial Exemption and do not require the carrier to electronically report to the DMV System: AL, AR, CO, DC, GA, IL, KS, KY, MI, MS, MO, MT, NE, NJ, OK, PA, RI, SC, TN, TX, UT, WV, WY

- Recommended Proof of Insurance is a Commercial Fleet ID Card that contains no vehicle specific information.
- When communicating with the DMV, referring to the policy as “Non-Vehicle Specific” may avoid confusion with requirements.
- Some states may have a “Fleet” indicator that must be applied to the vehicle.
- Registration Renewals cannot be completed online.

It is **important** for you to understand state DMV reporting requirements as governmental statutes change frequently.

Mid-term Changes

Mid-term changes to your fleet can only be reported to DMV if we are made aware of the changes. Providing your agent with timely updates to your fleet will allow timely reporting.

Notice of Suspension

If you receive a Notice of Suspension or Request for Proof of Insurance, it is important to follow the instructions on the notice received and respond to the state directly or provide it to your agent for review as soon as possible. A timely reaction to these notices could avoid potential suspensions and fees.

Again, we strongly encourage you to contact your local Department of Motor Vehicle Office or your Agent for information related to DMV reporting requirements for your Composite auto policy.

Federal Terrorism Risk Insurance Act Disclosure

The Federal Terrorism Risk Insurance Act of 2002 as amended (“TRIA”) establishes a program under which the Federal Government may partially reimburse “Insured Losses” (as defined in TRIA) caused by “Acts Of Terrorism” (as defined in TRIA). “Act Of Terrorism” is defined in Section 102(1) of TRIA to mean any act that is certified by the Secretary of the Treasury – in consultation with the Secretary of Homeland Security and the Attorney General of the United States – to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The Federal Government’s share of compensation for such Insured Losses is 80% of the amount of such Insured Losses in excess of each Insurer’s “Insurer Deductible” (as defined in TRIA), subject to the “Program Trigger” (as defined in TRIA).

In no event, however, will the Federal Government be required to pay any portion of the amount of such Insured Losses occurring in a calendar year that in the aggregate exceeds \$100 billion, nor will any Insurer be required to pay any portion of such amount provided that such Insurer has met its Insurer Deductible. Therefore, if such Insured Losses occurring in a calendar year exceed \$100 billion in the aggregate, the amount of any payments by the Federal Government and any coverage provided by this policy for losses caused by Acts Of Terrorism may be reduced.

For any Workers Compensation and Employers Liability coverage provided by this policy, the charge for such Insured Losses is an additional premium, which is reflected in any Workers Compensation and Employers Liability premium schedule included in this proposal or, if this proposal does not include such premium schedule, is reflected in a Workers Compensation premium summary included with this proposal. Note: terrorism premium charges listed in any such premium schedule or summary are subject to change at any time based on state regulatory action.

For any coverage provided by this policy, other than any Workers Compensation and Employers Liability coverage, that applies to such Insured Losses, the charge for such Insured Losses is included in the premium for such coverage. The charge for such Insured Losses that has been included for any such coverage is the percentage of the premium for such coverage indicated below and does not include any charge for the portion of such Insured Losses covered by the Federal Government under TRIA. Note: terrorism premium charges shown below are subject to change at any time based on state regulatory action.

The charge for such Insured Losses (for any coverage other than any Workers Compensation and Employers Liability coverage) is:

- 7% of either your total Commercial Property Coverage Part or your total Deluxe Property Coverage Part premium, if applicable, if your primary location is in a Designated City (as listed below).
- 3% of either your total Commercial Property Coverage Part or your total Deluxe Property Coverage Part premium, if applicable, if your primary location is not in a Designated City (as listed below).
- 4% of your total Businessowners Coverage Part premium, if applicable, if your primary location is in a Designated City (as listed below).
- 2% of your total Businessowners Coverage Part premium, if applicable, if your primary location is not in a Designated City (as listed below).
- 1% of your total Commercial Inland Marine Coverage Part premium if applicable.
- 1% of your total Boiler and Machinery or Equipment Breakdown Coverage Part if applicable.
- 1% of your total premium for any Commercial Liability Coverage included in this policy that is subject to the Federal Terrorism Risk Insurance Act of 2002 as amended.
- 1% of your total premium for any Commercial Ocean Marine Coverage Part premium if applicable.
